Hum 314; Office hours to be determined

TA: To be determined <????@albany.edu>

Hum 255; Office hours to be determined

Requirements & Grades: (Note: This class is fully in-person; there is no online option)

The course grade comes 80% from exams and 20% from in-class polls and quizzes. To pass the course, students taking the course for a letter grade must average at least a **D-** and have at least two passing grades (i.e., **D-** or better) on exams.

EXAMS: There will be 5 non-comprehensive 55-minute in-class closed-book tests, spaced relatively evenly throughout the term. Tests will consist of combinations of questions for short (2-3 sentence), shorter (1-sentence), and multiple choice answers. Your lowest grade of the 5 is discarded; the other four will each count for 20% of your course grade.

POP QUIZZES/POLLS: Short pop quizzes and polls will be given and scored in class by the iClicker system. Your participation in polls and scores on quizzes all together will count for 20% of your total grade.

Materials/Equipment:

READINGS: Readings for this course are available as PDF's from the Blackboard EReserves page; there is no physical textbook. Overhead notes from each class and exam review sheets will also be online.

EQUIPMENT: This class uses the **iClicker** system for in-class quizzing and poll-taking. You can buy or rent one in the Campus Bookstore. You **must** have and register an iClicker to get credit for the polls and quizzes. Any iClicker brand device (iClicker, iClicker+, or iClicker2) is fine.

PHI 111 Fall 2021 Syllabus Addenda

Detailed Grade Calculation Rules:

1. Every exam is given a letter grade. These letter grades range from **A+** (the best) to **F** (the worst).
2. Each of these letter grades has a numerical equivalent, listed here:

A+ = 15	B = 11	C- = 7	E+ = 3
A = 14	B- = 10	D+ = 6	E = 2
A- = 13	C+ = 9	D = 5	E- = 1
B+ = 12	C = 8	D- = 4	F = 0

3. Once this assignment of letter grades is made for a given exam, that letter grade (i.e. its 15-point scale equivalent) is all that matters from that exam for calculating your final course grade.
4. I use the numerical equivalents of the letter grades to calculate a composite numerical grade: Your 4 best exams each count for 20% of your final grade, and a composite grade from your quizzes (assigned on the 15-point scale as well) counts for the other 20% of your overall grade.
5. The composite numerical grade is rounded to the nearest integer (.5 and above go up, below go down, then converted to letter grades using the chart above. You get the letter grade determined by the chart, except if (i) you got an **A+**, in which case your official grade is an **A** (the University doesn't use **A+**); (ii) you got lower than a **D-**, in which case your official grade is **E**; or (iii) you didn't get at least a **D-** on at least 2 of the exams, in which case your official grade is an automatic **E**.
6. I reserve the right to reduce grades for the course based on failure to follow course rules – e.g., for being disruptive in class, etc.

Makeup exams and quizzes:

Makeup exams & quizzes are given only under conditions the conditions specified by UAlbany: see the rules for medical excuse and religious practice excuse rules at https://www.albany.edu/health_center/medicalexexcuse.shtml and <https://www.nysenate.gov/legislation/laws/EDN/224-A> for details. To be given a makeup exam/quiz in this course, you must give me a written (e-mail) request for a makeup exam along with copies of documentation showing it was impossible for you to take the scheduled exam. This request must be given to me no more than 24 hours after the end of the period for which your absence is to excused. Be forewarned that even if you do, I reserve the right to judge that the excuse is inadequate, in which case I may decline to give the makeup, and you'll just need to count the other four exams. Your lowest 7 quizzes (about 1/5 of the total) will be dropped before calculating your quiz grade; so if you happen to miss one here and there, you needn't get an excused makeup.

Disabilities and accommodation:

Reasonable accommodations will be provided for students with documented physical, sensory, systemic, medical, cognitive, learning and mental health (psychiatric) disabilities. Contact the Disability Resource Center (518-442-5490; drc@albany.edu; <https://www.albany.edu/disability/>) for more information.
